For 42 youth legislators, atorneys, and newsmen from Webster High, the YMCA Youth and Government program started off with a yawn, as two buses pulled out of the Y parking lot at six o'clock Friday morning, April 3. The delegates were headed for Jefferson City, to join over 300 other students from different parts of Missouri, in carrying out the duties of the state government for two days.

## 31 attend state J.C.L. convention; James R. Brown elected president

Thirty-one Latin Club members boarded a bus at 6:30 Saturday morning, April 4, to attend the Missouri State Junior Classical League Convention at the University of Missouri at Columbia.

The Webster delegation, along with student groups from 21 other state high schools, met for a program of contests, skits, and speeches, plus the election of state JCL officers.

Junior James R. Brown was elected president of the state organization for the coming year. Roy Harris, senior, led James' election campaign to a victory over candi-

dates from Savannah and Springfield. "There was a great deal of competition, but James' speech and consistent campaigning gave him the edge," said Roy. Webster students distributed black and orange cards in James' behalf.

Entering scholastic competition in mythology, ancient history, Roman life, and Latin derivatives, three Webster students won honors. Junior Carl Guhman won first place in the junior division of the ancient history and Roman life category. Senior Jane MacGreevy and junior Chris Carney took second places in the senior and junior division competition, respectively, in the Latin derivatives class.

Steve Smith, vice-president of the school's Latin Club, gave information about the Webster delegation. Representatives from other state delegations also spoke and performed skits.

The Webster Groves Marching Statesmen Band will compete against high school bands from Ladue, Kirkwood, and Normandy on April 29, at 8 p.m. at Ladue in a contest sponsored by the Band Division of the St. Louis Suburban Music Educator's Association.

## Up To \$3,000 Cash For Qualified Students To Complete College

No Collateral - - - Nothing To Pay Until After Graduation

Big Bend Bank is mighty proud of having been one of the very first banks in the St. Louis area to join in the U. S. A. Funds Plan. No student, who meets high academic standards, need say any longer, "I didn't have a chance to go through college."

It's this simple: Neither student nor parent gives security of any kind. Not a penny is paid by either until after graduation. After a generous span of time, liquidation of the loan begins. An accepted student has a wide choice of universities, including some out-of-state.

This national program begins with your sophomore year. If you have met academic requirements in your freshman year you are eligible for a loan of up to \$1,000.00 for your sophomore year. The same holds true for your junior and senior years—and you pay nothing whatsoever while in college.

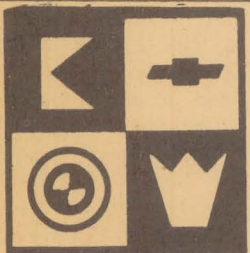

This is an age wherein our nation needs good minds as never before. Phone Woodland 1-2484 for an appointment and then . . . . .
