Latta approved the band's decision to honor Gordon Schoepfle with this award. In the Girls Athletic Association, Lauren Stanish was voted Most Valuable G.A.A. Member. Piero to return to Italy in July

Next month will be Piero Pezze's last in Webster Groves. On June 30, Piero will leave Webster for a tour of the East, including a week at the New York World's Fair and culminating in a visit to the White House and an interview with President Johnson. Piero will board the ship, The Seven Seas, on July 21, and he will arrive in his hometown, Udine, Italy, on August 1.

Next year Piero will complete his high school education, which is five years in Italy. The following year he hopes to enter Bologna University to study medicine. When he finishes college, Piero wants to return to the United States to receive further specialization.

During his stay in Webster, Piero has been especially impressed with the freedom that students associate with one another. In a statement about his stay in Webster, Piero said, "After my wonderful year of American life, I will be sad to leave behind all that I have found here in Webster."

Piero's home address is Piero Pezze, Via Antonio Somma 23, Udine, Italy.

Teacher's express unusual opinions about this year's senior class

This year's senior class possesses many unusual qualities aside from the outstanding leadership, scholastic achievement, and citizenship mentioned by many teachers. A few of these comments merit repeating.

Mrs. Bopp observed, "This year's seniors have a poor attendance record. They stay home for very trivial reasons. On the whole, I think they are a 'sickly bunch'." Mr. Fast remarked, "Seriously, if they don't clean their test tubes, they won't pass."

"The seniors are either day-dreaming or asleep," agreed Mrs. Jungers and Mr. Tuthill. Mr. Reid observed after his first year at Webster, "Psychologically speaking, I feel that many of our seniors are slightly psychoneurotic. A few seem to be suffering from mild forms of delusions of grandeur, reference, and persecution, stemming from the lack of preparation for examinations."

Mr. Holmes remarked slyly, "Senior Day activities were very sedate and much befitting the age and station of the class." Mrs. Fredericksen said, "Anything I could say wouldn't be published."

Many members of the faculty did express very complimentary

opinions. Among them was Mr. Smith who said, "Cooperative and easy to work with describes this year's graduates. They are able to follow through on a job and are a pleasant, ambitious group to work with. The class is an example of good leadership and group unity."

Up To \$3,000 Cash For Qualified Students To Complete College

No Collateral - - - Nothing To Pay
Until After Graduation

Big Bend Bank is mighty proud of having been one of the very first banks in the St. Louis area to join in the U. S. A. Funds Plan. No student, who meets high academic standards, need say any longer, "I didn't have a chance to go through college."

It's this simple: Neither student nor parent gives security of any kind. Not a penny is paid by either until after graduation. After a generous span of time, liquidation of the loan begins. An accepted student has a wide choice of universities, including some out-of-state.

This national program begins with your sophomore year. If you have met academic requirements in your freshman year you are eligible for a loan of up to \$1,000.00 for your sophomore year. The same holds true for your junior and senior years—and you pay nothing whatsoever while in college.

This is an age wherein our nation needs good minds as never before. Phone WOODLAND 1-2484 for an appointment and then
